PROFESSIONAL EXPERIENCE

Deloitte USI

Delhi, India

PMO Analyst

01/2024 – Present

- Support day-to-day PMO operations, including comprehensive reporting, follow-ups, and documentation across various IT project lifecycles.
- Maintain and update project trackers and executive-level dashboards using Microsoft Excel (pivot tables, VLOOKUP, formulas, and charts) to perform basic data analysis and highlight project deviations.
- Coordinate with multiple cross-functional stakeholders to collect updates, transparently communicate progress, and ensure timely task completion.
- Track project risks, issues, and dependencies, proactively highlighting deviations to internal management while maintaining comprehensive action item logs.
- Assist in preparing executive project presentations and meeting minutes utilizing PowerPoint and Word, ensuring strong attention to detail and task ownership.
- Handle administrative tasks related to project scheduling, documentation, and repository management using project management tools such as Jira, MS Project, and Smartsheet.
- Ensure strict adherence to project governance standards, internal processes, and control frameworks during the end-to-end onboarding and offboarding of project resources.

Oxy Hotels

Remote

Research Intern

07/2023 – 12/2023

- Performed basic data analysis on market trends and customer feedback using Excel, supporting strategic decision-making and adhering to structured project processes.
- Assisted in project documentation, requirements gathering, and repository management, ensuring high accuracy and conformance to internal governance standards.
- Collaborated with cross-functional teams to produce technical reports and manage deadlines, multitasking in a fast-paced environment to align with overall project timelines.

Viral Fission

Remote

Campus Ambassador

02/2021 – 06/2023

- Developed and executed stakeholder engagement strategies, acting as the primary liaison to collect updates and facilitate strong communication between external groups and internal management.
- Supported urgent administrative tasks and ad-hoc marketing initiatives, maintaining organized logs and follow-ups to improve outreach performance metrics.
